

# SAFE2STAY

**SAFE2STAY** is a total release 200ml aerosol can which releases a fog in the space it's placed, killing viruses, bacteria and mould. It is an alcohol-based solution with additional biocides.

## INSTRUCTIONS FOR USE – ROOMS

1. Ensure the room is clear from people, children and pets.
2. Put any exposed food into containers or remove from the room.
3. Shake can well.
4. Remove the can cap and place the can in the centre of the room.
5. Press the total release valve, ensuring can is left upright.
6. Quickly leave the room, closing the door behind you.
7. Re-enter the room after at least 20 minutes.
8. Ventilate the room.
9. Dispose of can according to national regulations.
10. You're now Safe2Stay - Enjoy your sanitised room.
